**1.** Gen 11 Vehicles: Lexus Enform services depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Subscription required after trial. Terms of Use apply. Data charges may apply. See [ServcoLexus.com/connectedservices/enform](https://www.lexus.com/connectedservices/enform) for details. To learn about Lexus Enform's connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy/vts/>. **2.** Lexus Interface (Gen 12) Vehicles: Lexus Interface services depend on factors outside Lexus' control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in Owner's Manual and [ServcoLexus.com/connectedservices/interface](https://www.lexus.com/connectedservices/interface) for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacy/vts/>. **3.** Integrated Streaming requires Apple Music or Amazon Music subscription independent of Lexus Connected Services. Available post-trial with an active AT&T Hotspot subscription. **4.** Advanced Drive is not an automated driving system. The driver is responsible for safe driving and must not overly rely on the system. Always pay attention to your surroundings and be prepared to take full control at all times. Use this system in accordance with applicable laws. Before operating, refer to Owner's Manual for additional instructions and limitations. **5.** Dynamic Voice Command renewal will be included when Enform Remote or Wi-Fi connected service renewal is selected. Dynamic Voice Command is not renewable as a stand-alone product. **6.** Gen 11 Vehicles: The Enform Wi-Fi trial begins at the time of activation and expires when 3 GB of data is used or when the 1 month period ends. Subscription required after trial. Terms and conditions apply. Lexus Interface (Gen 12) Vehicles: The Wi-Fi Connect trial begins at the time of enrollment and expires when 30 days or the earlier of 3GB of data is used or the 1-month period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply.
